Dear Prof. Verthuy:

I am very pleased to advise you that the Senate of Concordia University approved, on 3 May 1985, the recommendation of the Committee assigned to award the John W. O'Brien Distinguished Teaching Awards that you receive this distinction.

The honour will be awarded at the Convocation of the Faculty of Arts and Science, Sunday, June 16, 1985, at 2:30 p.m. We should be pleased if you could be in attendance at that time. The University Registrar, Mr. K.D. Adams, will be in touch with you concerning details of the Convocation.

I look forward to hearing from you in the very near future. Please accept my heartiest congratulations.

Yours sincerely,

Patrick Kenniff
Rector & Vice-Chancellor
